

Hopi Telecommunications, Inc.

is seeking two (2) summer youth interns, potentially three (3) based on availability and need for areas of:

1. **Outside Plant Operations** – construction, replacement, removal, and maintenance of aerial and buried cable.
2. **Central Office** – maintain switching unit operations, ensuring that subscriber loops are properly connected and maintained.

Both positions are in **Keams Canyon, AZ**

Job tasks:

The interns assist HTI technicians with installation, maintenance of telecommunications equipment and service customer premise equipment.

Candidate requirements:

A preferred candidate is 16 years of age or older, a current High School student, recent High School graduate planning to attend College, or current College student.

Application for employment:

Employment Application Forms are available at HTI Keams Canyon and Flagstaff offices, online at www.hopitelecom.com, or you may call **928-738-4674** to request one to be mailed or emailed.

Completed application forms can be submitted to:

- **Hopi Telecommunications, Inc.**
PO Box 125
Keams Canyon, AZ 86034
- **Emailed to: info@hopitelecom.com**
- **The local office in Keams Canyon**
- **Fax-928-738-0097**

The positions are available until filled
